AZUL

Azul tile, in 9x28 cm size and pool-blue color, is an ideal choice for spaces that demand beauty, durability, and high quality. Made with a matte porcelain body and very low water absorption, it performs exceptionally well in humid environments and outdoor areas.

This product comes with 1 face, allowing for a clean and uniform visual appearance. It supports a variety of attractive layout patterns, and its pool-blue color creates a soothing, water-inspired atmosphere. The matte surface not only enhances its visual appeal but also provides good slip resistance, making it a suitable option for swimming pools, jacuzzis, saunas, and outdoor spaces.
